EXPERIENCE

Synergy Technofin Pvt. Ltd. Data Analyst Intern Feb 2026 May 2026

Built Power BI dashboards covering 50+ districts across 3 states, tracking 30+ agriculture and climate-resilience KPIs for NABARD and GIZ s JIVA Agroecology Impact Assessment Project.
Cleaned and transformed 10,000+ survey records using Excel, DAX, and Power Query, reducing manual reporting effort.
Analysed 300+ farmer surveys and socio-economic datasets to support policy recommendations.

PROJECTS

EnterpriseIQ Business Intelligence Platform Jan 2026

Live: enterpriseiq-ai-platform.streamlit.app

Built a BI platform analysing 128K+ transactions and Rs. 7.86 Cr+ in revenue, with automated KPI dashboards and sales forecasting that non-technical users can explore on their own.
Built a forecasting engine using Prophet and a Groq LLM that flagged 500+ anomalous transactions and generated recommendations; added a multi-turn chat assistant and deployed the app on Streamlit Cloud.

Tech: Python, SQL, Streamlit, Plotly, Prophet, Groq LLM, Pandas, FastAPI, REST APIs, Git

E-commerce Product Analytics Platform Mar 2026

Built an e-commerce analytics system processing 10K+ user interactions, with KPI tracking and funnel analysis; developed PostgreSQL workflows and Power BI dashboards for revenue, conversion, and customer behaviour.
Implemented a Python recommendation engine that generates conversion and engagement insights, reducing manual interpretation time for analysts.

Tech: Python, Pandas, PostgreSQL, SQL, Power BI, DAX, pgAdmin, KPI Analytics, Funnel Analysis
